

PRICING ATTACHMENT

General

As used in this Attachment, the term "Charges" means the rates, fees, charges and prices for a Service.

Except as stated in Section 0 or Section 0 of this Attachment, Charges for Services shall be as stated in this Section 0.

The Charges for a Service shall be the Charges for the Service stated in the Providing Party's applicable Tariff.

In the absence of Charges for a Service established pursuant to Section 0 of this Attachment, the Charges shall be as stated in Appendix A of this Pricing Attachment. For rate elements provided in Appendix A of this Pricing Attachment that do not include a Charge, either marked as "TBD" or otherwise, Verizon is developing such Charges and has not finished developing such Charges as of the Effective Date of this Agreement ("Effective Date"). When Verizon finishes developing such a Charge, Verizon shall notify Metro Teleconnect in writing of such Charge in accordance with, and subject to, the notices provisions of this Agreement and thereafter shall bill Metro Teleconnect, and Metro Teleconnect shall pay to Verizon, for services provided under this Agreement on the Effective Date and thereafter in accordance with such Charge. Any notice provided by Verizon to Metro Teleconnect pursuant to this Section 0 shall be deemed to be a part of Appendix A of this Pricing Attachment immediately after Verizon sends such notice to Metro Teleconnect and thereafter.

The Charges stated in Appendix A of this Pricing Attachment shall be automatically superseded by any applicable Tariff Charges. The Charges stated in Appendix A of this Pricing Attachment also shall be automatically superseded by any new Charge(s) when such new Charge(s) are required by any order of the Commission or the FCC, approved by the Commission or the FCC, or otherwise allowed to go into effect by the Commission or the FCC (including, but not limited to, in a Tariff that has been filed with the Commission or the FCC), provided such new Charge(s) are not subject to a stay issued by any court of competent jurisdiction.

In the absence of Charges for a Service established pursuant to Sections 0 through 0 of this Attachment, if Charges for a Service are otherwise expressly provided for in this Agreement, such Charges shall apply.

In the absence of Charges for a Service established pursuant to Sections 0 through 0 of this Attachment, the Charges for the Service shall be the Providing Party's FCC or Commission approved Charges.

In the absence of Charges for a Service established pursuant to Sections 0 through 0 of this Attachment, the Charges for the Service shall be mutually agreed to by the Parties in writing.

Verizon Telecommunications Services Provided to Metro Teleconnect for Resale Pursuant to the Resale Attachment

Verizon Telecommunications Services for which Verizon is Required to Provide a Wholesale Discount Pursuant to Section 251(c)(4) of the Act.

The Charges for a Verizon Telecommunications Service purchased by Metro Teleconnect for resale for which Verizon is required to provide a wholesale discount pursuant to Section 251(c)(4) of the Act shall be the Retail Price for such Service set forth in Verizon's applicable Tariffs (or, if there is no Tariff Retail Price for such Service, Verizon's Retail Price for the Service that is generally offered to Verizon's Customers), less, to the extent required by Applicable Law: (a) the applicable wholesale discount stated in Verizon's Tariffs for Verizon Telecommunications Services purchased for resale pursuant to Section 251(c)(4) of the Act; or (b) in the absence of an applicable Verizon Tariff wholesale discount for Verizon Telecommunications Services purchased for resale pursuant to Section 251(c)(4) of the Act, the applicable wholesale discount stated in Appendix A for Verizon Telecommunications Services purchased for resale pursuant to Section 251(c)(4) of the Act.

The Charges for a Verizon Telecommunications Service Customer Specific Arrangement ("CSA") purchased by Metro Teleconnect for resale pursuant to Section Error! Reference source not found. of the Resale Attachment for which Verizon is required to provide a wholesale discount pursuant to Section 251(c)(4) of the Act shall be the Retail Price for the CSA, less, to the extent required by Applicable Law: (a) the applicable wholesale discount stated in Verizon's Tariffs for Verizon Telecommunications Services purchased for resale pursuant to Section 251(c)(4) of the Act; or (b) in the absence of an applicable Verizon Tariff wholesale discount for Verizon Telecommunications Services purchased for resale pursuant to Section 251(c)(4) of the Act, the applicable discount stated in Appendix A for Verizon Telecommunications Services purchased for resale pursuant to Section 251(c)(4) of the Act. Notwithstanding the foregoing, in accordance with, and to the extent permitted by Applicable Law, Verizon may establish a wholesale discount for a CSA that differs from the wholesale discount that is generally applicable to Telecommunications Services provided to Metro Teleconnect for resale pursuant to Section 251(c)(4) of the Act.

Notwithstanding Sections 0 and 0 of this Attachment, in accordance with, and to the extent permitted by Applicable Law, Verizon may at any time establish a wholesale discount for a Telecommunications Service (including, but not limited to, a CSA) that differs from the wholesale discount that is generally applicable to Telecommunications Services provided to Metro Teleconnect for resale pursuant to Section 251(c)(4) of the Act.

The wholesale discount stated in Appendix A shall be automatically superseded by any new wholesale discount when such new wholesale discount is required by any order of the Commission or the FCC, approved by the Commission or the FCC, or otherwise allowed to go into effect by the Commission or the FCC, provided such new wholesale discount is not subject to a stay issued by any court of competent jurisdiction.

The wholesale discount provided for in Sections 0 through 0 of this Attachment shall not be applied to:

Short term promotions as defined in 47 CFR § 51.613;

Except as otherwise provided by Applicable Law, Exchange Access services;

Subscriber Line Charges, Federal Line Cost Charges, end user common line Charges, taxes, and government Charges and assessment (including, but not limited to, 9-1-1 Charges and Dual Party Relay Service Charges).

Any other service or Charge that the Commission, the FCC, or other governmental entity of appropriate jurisdiction determines is not subject to a wholesale discount under Section 251(c)(4) of the Act.

Verizon Telecommunications Services for which Verizon is Not Required to Provide a Wholesale Discount Pursuant to Section 251(c)(4) of the Act.

The Charges for a Verizon Telecommunications Service for which Verizon is not required to provide a wholesale discount pursuant to Section 251(c)(4) of the Act shall be the Charges stated in Verizon's Tariffs for such Verizon Telecommunications Service (or, if there are no Verizon Tariff Charges for such Service, Verizon's Charges for the Service that are generally offered by Verizon).

The Charges for a Verizon Telecommunications Service customer specific contract service arrangement ("CSA") purchased by Metro Teleconnect pursuant to Section Error! Reference source not found. of the Resale Attachment for which Verizon is not required to provide a wholesale discount pursuant to Section 251(c)(4) of the Act shall be the Charges provided for in the CSA and any other Charges that Verizon could bill the person to whom the CSA was originally provided (including, but not limited to, applicable Verizon Tariff Charges).

Other Charges.

Metro Teleconnect shall pay, or collect and remit to Verizon, without discount, all Subscriber Line Charges, Federal Line Cost Charges, and end user common line Charges, associated with Verizon Telecommunications Services provided by Verizon to Metro Teleconnect.

Metro Teleconnect Prices

Notwithstanding any other provision of this Agreement, the Charges that Metro Teleconnect bills Verizon for Metro Teleconnect's Services shall not exceed the Charges for Verizon's comparable Services, except to the extent that Metro Teleconnect's cost to provide such Metro Teleconnect's Services to Verizon exceeds the Charges for Verizon's comparable Services and Metro Teleconnect has demonstrated such cost to Verizon, or, at Verizon's request, to the Commission or the FCC.

Section 271

If Verizon is a Bell Operating Company (as defined in the Act) and in order to comply with Section 271(c)(2)(B) of the Act provides a Service under this Agreement that Verizon is not required to provide by Section 251 of the Act, Verizon shall have the right to establish Charges for such Service in a manner that differs from the manner in which under Applicable Law (including, but not limited to, Section 252(d) of the Act) Charges must be set for Services provided under Section 251.

Regulatory Review of Prices

Notwithstanding any other provision of this Agreement, each Party reserves its respective rights to institute an appropriate proceeding with the FCC, the Commission or other governmental body of appropriate jurisdiction: (a) with regard to the Charges for its Services (including, but not limited to, a proceeding to change the Charges for its services, whether provided for in any of its Tariffs, in Appendix A, or otherwise); and (b) with regard to the Charges of the other Party (including, but not limited to, a proceeding to obtain a reduction in such Charges and a refund of any amounts paid in excess of any Charges that are reduced).

*Both Option A and Option C assume there is an existing Collocation Arrangement.

(1) = one required

(2) = two required

⁴ Option A: A CLEC-provided splitter shall be provided, installed and maintained by the CLEC in their own Collocation space. Rearrangements are the responsibility of the CLEC. Verizon dial tone is routed through the splitter in the CLEC Collocation area.

Option C: Verizon will install, inventory and maintain CLEC provided splitter in Verizon space within the Serving Central Office of the lines being provided. Verizon will have control of the splitter and will direct any required activity.

⁵ Service Access Charge (SAC) is the same as Interconnection Access Charge or a cross connect.
